## Ride-on Sweeper

Version No.: V2.0\_20230214

# TS1300 Pro

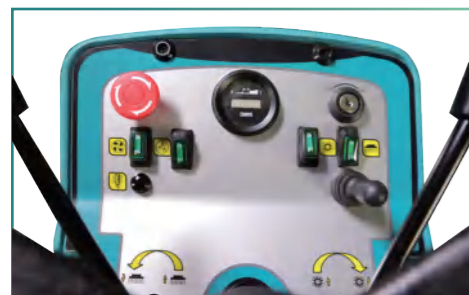

\*The image shown here is indicative only. If there is inconsistency  
\*Between the image and the actual product, the actual product shall govern

# TS1300 Pro Ride-on sweeper

- ✓ Efficient sweeping capacity
- ✓ Spray and dustfall sweeping
- ✓ Long running time

## Product Features

Minimalist design of the control panel

Extra large 6-barrel filtration system

waste bin with split design

Front nozzle with atomisation system

Sealing thread design in solution water tank inlet

Ergonomically designed duster foot pedal

## High efficiency cleaning · save time and effort

Clean 7315m<sup>2</sup> per hour which is equivalent to the efficiency of 6-8 cleaners, and it's cleaner

**Super large solution tank design**  
30L water tank and dustfall system keep our machine clean in special contamination situations to reduce secondary contamination

**Rear wheel drive system**  
Powerful traction motors for complex indoor and outdoor conditions

**Flexible handling body**  
Ride-on operation, flexible to turn around, keep high efficiency and easier to operate

**Efficient filtration system, stable working**  
Extra-large polyester hybrid 6-barrel filter with long life for continuous working filtration

**Longer cleaning time**  
Doing cleaning task that lasts longer, Ergonomically designed handle keep operator more comfortable

**Automatic adjustment of the main brush system for high cleaning efficiency**  
Equipped with independent motor-controlled double-sided brushes and main roller brushes as well as a vacuum filtration system with automatic dust shaking

## Application scenarios

## Parameters

	TS1300 Pro
Cleaning width	1330mm
Main Brush width	700mm
Side brush width	390mm
Working speed	0-6.5Km/h
Efficiency	7315m <sup>2</sup> /h
The gradient it can reach	18°
Driving motor	24V/800W
Dust suction motor	24V/380W
Roll brush motor	24V/600W
Water tank	30L
Dustbin	100L
Filter area	6m <sup>2</sup>
Steering diameter	1980mm
Unit dimension	1395*1010*1200mm
Battery pack	494*354*30mm
